VALENTINE'S DAY

Each year on February 14th, many people exchange cards, candy, gifts or flowers with their “special valentine.” The day of romance we call Valentine’s Day is named for a Christian martyr and dates back to the 5th century, but has origins in the Roman holiday Lupercalia.

The first valentine on record was sent in the mail in 1806 — and the tradition is still going strong today. Not only are Valentine’s Day cards and quotes an easy way to show your love, but they’re one of the most personal and beautiful ways to express your feelings. Poets, authors, and playwrights have dedicated their work to capturing love in words for thousands of years.
